EXECUTIVE

WHERE LUXURY MEETS THE OPEN ROAD

WHERE REFINED LUXURY, INTELLIGENT DESIGN,
AND AUSTRALIAN CRAFTSMANSHIP COME TOGETHER
TO CREATE THE ULTIMATE TOURING EXPERIENCE.

BUILT FOR FREE CAMPING • PROUDLY AUSTRALIAN MADE • NATIONAL SERVICE CENTRES

Proudly Australian made, the Executive is engineered to perform across the country's diverse landscapes while providing the comfort and refinement of a premium home away from home. Whether you're embarking on an extended adventure, discovering remote destinations, or enjoying a weekend escape, the Executive offers the perfect balance of durability, elegance, and innovation.

More than just a caravan, the Supreme Executive is a statement of quality, freedom, and a passion for exploration. It's built for those who believe every journey should be experienced in complete comfort and every destination enjoyed without compromise.

CHASSIS Pty. Ltd.

THE POWER OF
REDARC

Experience touring redefined with the Supreme Executive— where every journey is first class.

Where Every Destination Feels Like Home.

ANOTHER LEVEL

The Supreme Executive takes touring luxury to the next level. Designed for those who expect more, the Executive comes standard with premium finishes and enhanced touring features, including elegant waterfall benchtops, additional lighting throughout, and a fully equipped toolbox. Enjoy endless hot water with the upgraded hot water system, enhanced REDARC electrical technology, plus an external shower and external entertainment unit as standard. Every detail has been carefully considered to provide greater comfort, convenience and sophistication, making the Supreme Executive the ultimate choice for discerning travellers seeking a truly premium touring experience.

PREMIUM FURNITURE & APPLIANCES

Our interiors are crafted from precision-engineered 15mm plywood, offering a refined balance of lightweight design and lasting strength. Integrated ambient LED lighting enhances both visibility and atmosphere. We equip every build with premium, caravan-specific appliances, including a sleek 4-in-1 combo grill/air fryer/microwave/convection oven, compressor refrigerator, and a high-performance lithium battery system.

REDARC BATTERY MANAGEMENT

Powering your independence is the renowned Redarc battery management system, proudly Australian designed and manufactured. Redarc intelligently manages solar, vehicle, and mains charging, ensuring your power system operates efficiently and safely wherever you travel — allowing you to stay off-grid longer without compromise.

Live your life,
Live your dream,
Live Supreme

Every detail thoughtfully considered, **every journey elevated**—the Executive is touring **without compromise.**
